

BeiGene

The **BeiGene Global Regulatory Affairs (GRA) Fellowship** Program is actively recruiting for the 2023-24 application cycle. The BeiGene GRA Fellowship Program is a unique one-year post-doctoral fellowship with rotational components in regulatory policy & intelligence, strategy, advertisement & promotion, and labeling.

For further information regarding the company, rotational components, and the application process, please refer to the attached brochure. Applications are currently open and the application materials (CV, LOI, LORs, and writing sample) are due by **November 18, 2022**. Submission of materials prior to deadlines is encouraged.
