

USC/Gilead Sciences

We are excited to announce that we are accepting applications to our **USC/Gilead Sciences Postdoctoral Fellowship Program** for **2022-2023**! There are 4 positions available across Medical Information and Medical Affairs which are now live on ASHP's PPS portal.

To learn more about our fellowship positions, we invite you to join us in our upcoming informational webinar on Wednesday, November 3, 2021 at 5:30PM PST. Click here to register: <https://lnkd.in/gJTdin59>

Applications for postdoctoral fellowships are to be submitted online at: <https://provost.sma.usc.edu/prog/fellowship> and https://usc.qualtrics.com/jfe/form/SV_dh5kNATzRlgAmvs

Additional information, including how to apply, can be found in our attached brochure and on the USC Fellowships website: <https://pharmacyschool.usc.edu/programs/fellowship>

We look forward to meeting interested candidates soon! Please feel free to reach out if you have any questions about the program.
