

St. John's University

Attention Doctor of Pharmacy candidates and recent graduates,

St. John's University College of Pharmacy and Health Sciences is excited to announce three important fellowship webinars during the month of October, 2021.

The first webinar will be our 2021 Virtual Pharmaceutical Industry Informational Session that will be held on **Tuesday October 5th, from 8:00pm until 9:30pm EDT**. During this exciting kickoff event our program leaders, along with our first and second year fellows from our four industry partners; American Regent, Daiichi Sankyo, Pfizer, and Relmada Therapeutics will provide an overview of Pharmaceutical Industry Fellowships and how to prepare for the application process. The following topics will be discussed:

- What is a fellowship?
- Why choose a fellowship?
- What are the responsibilities of a fellow and Chief Fellow?
- An overview of various functional areas within a pharmaceutical company.
- Basic interview, virtual interview, and CV preparation recommendations.

The general programming will end with our fellows answering questions posed by interested candidates.

Our second webinar will be in collaboration with American Regent Inc., and will provide information for candidates interested in the St. John's University/American Regent Inc. Postdoctoral Pharmaceutical Industry Fellowship in Medical Affairs.

The session will be held **Thursday October 7th, from 8:00pm until 9:00pm EDT**.

We will be recruiting one fellow for the 2022-2024 cycle. This fellowship is a two-year experience, and is set to begin on or about July 1st, 2022.

During this exciting event St. John's University and American Regent program leaders, in addition to our current fellows, will discuss the various components of the fellowship, the application process, and what a candidate would expect if they are selected to be the next St. John's University/American Regent fellow. The programming will end with the panel answering questions posed by interested candidates.
