

HEOR Fellowship Thomas Jefferson University

It looks like we will have at least 3 fellowship sponsors recruiting for next year – Teva, Janssen and Novartis. We have scheduled an informational webinar for October 26 at 7 pm ET. I'll send out a flyer shortly.

Registration is required: <https://Jefferson.zoom.us/meeting/register/tJAtd--rrDMsH9aD7qKqsNolrp2vdiEmL5WE>

Novartis has the earliest deadline. They will be accepting applications October 4 to October 22. Attached is their brochure. To be considered for the Novartis Fellowship, please email dhaval.patil@novartis.com by October 22, 2021 with the following materials:

- CV
- Cover Letter
- Include first-year fellowship site(s)
- Email of 2 References

If offered an interview, the following documents will be requested:

- 2 Letters of Recommendation (sent via email from references)
- Unofficial Transcript

Janssen and Teva will accept applications until November 26. They will also be going to ASHP Mid-Year and will accept applications through the PPS portal. Attendance at ASHP is not required. Applications can be sent to JCPHFellowship@jefferson.edu.

The HEOR website is being updated and should be ready for viewing around October 1. The website will contain all brochures, a link to the upcoming informational webinar (and a posting of the video after the event), application requirements and deadlines.

Please let me know if you have any additional questions. Take care.
