

St. John's University College of Pharmacy and Health Sciences

St. John's University College of Pharmacy and Health Sciences is excited to announce a new fellowship collaboration with Relmada Therapeutics, Inc. in the area of Clinical Development. A Virtual Informational Session discussing the opportunity will be held on **Wednesday January 6th 2021, from 7:00pm until 7:45pm EST.**

During this exciting webinar event our program leaders, along with representatives from Relmada Therapeutics, Inc., will provide an overview, in addition to goals and objectives, of the program. The focus of the fellowship is Clinical Development, specifically in the area of Major Depressive Disorder (MDD).

Please view the attached flyer for more information.

To register for the webinar, please complete the link below:
